Professional Experience

Junior Architect, Vinee Goginei Design Studio

08.2021 – 12.2021

Hyderabad, India

- Designed and generated fabrication drawings to be implemented on the construction site.
- Rendered 3D models of projects for clients to better understand the floor plans.
- Proposed design schematics for live projects which were further developed by the principal architect.
- Generated drawings that detailed electrical, plumbing and furniture for the civil engineering team to carry out on site.

Architecture Intern, Spacefiction Design Studio

09.2019 – 03.2020

Hyderabad, India

- Designed and generated construction drawings for ongoing residential projects.
- Designed the interiors for the Brick Mask House residential project under the principal architect's guidance.
- Rendered 3D renders using Lumion and Google SketchUp to be presented at client meetings.
- Produced furniture quotations and catalogues under the guidance of the lead interior designer to be implemented for the Brick Mask House.
