EXPERIENCE

UI/UX & Graphic Design Intern | Luxeveda Brand Services Pvt. Ltd.
March 2023 - June 2023 | Bangalore, India

- Collaborated cross-functionally with senior designers and developers, to design end-to-end web and mobile responsive applications for B2B clients.
- Conducted user research and usability testing for an ESG Services brand, driving a **15% increase in website traffic.**
- Launched global and regional Dabur websites, **accelerating sales and customer engagement by 20%.**
- Single-handedly developed UX Mapping for the initial stage of the **Beretta Gallery USA website.**
- Spearheaded content creation and design for digital marketing campaigns, **increasing consumer engagement by 30%.**

Junior Architect | Collage Architecture Studio
October 2021 - January 2023 | Bangalore, India

- Spearheaded **6 architectural and interior projects** simultaneously from concept to execution stages, of varying scale and typology.
- Served as the **single point of contact** for clients and vendor interactions, and other concerned stakeholders.
- Demonstrated **leadership qualities** during the supervision and mentorship of 2 trainee architects.
- Coordinated site works and material procurement at all stages.

Architectural Intern | RCA Studio Pvt. Ltd.
December 2020 - May 2021 | Bangalore, India

- Collaborated with senior designers on corporate interior projects for clients such as **Google, Dell, Nestle, ABB, and Rockstar Games.**
- Executed the preparation of presentations, technical drawings, working models, renders, and corresponding analyses.

Architectural Intern | Free Line - AIESEC in AAST
April 2019 - June 2019 | Alexandria, Egypt

- Contributed to the preparation of technical drawings, schematic layouts, working models, graphic design, and presentations, gaining valuable exposure to **international architectural standards and practices.**
